M12™ CORDLESS HEATED GEAR

M12™ CORDLESS HEATED GEAR

Milwaukee®, the industry leader in cordless heated outerwear and accessories, continues to deliver innovation with an expanded line of M12™ Heated Gear. Milwaukee®'s M12™ REDLITHIUM™ battery packs, the same battery packs that power 50+ cordless tools in the M12™ system, deliver up to 6 hours of continuous heat. M12™ Heated Gear is a true testament to Milwaukee®'s focus on investing in game changing technology that increases user's productivity and performance on and off the jobsite.

M12™ CORDLESS HEATED JACKET

- Water and Wind Resistant: Internal storm flap and thermal knit fleece inner lining keep the weather out, and heat in
- Versatile Battery Holder: Features a battery fuel gauge and built-in USB port to charge phones and other portable electronics
