DIY

Perfect Fit & Comfort
Made to move comfort. Soft, flexible headband style won't rub, bounce or irritate.

Widest Area Illumination
210 degree illumination means you won't miss a thing, wherever you look.

See Everything, Feel Nothing
Easily enjoy hiking, camping, running, DIY or work projects without the dimples or dents of traditional headlamps.

Lightweight and Balanced Design
The balanced, lightweight, adjustable design creates a "No Bounce" experience.

One-Touch Simple Operation
Quickly and easily cycle through power modes with the touch of a button.

Fast-Charge Rechargeable Battery
Compact 3400 mAh rechargeable battery with USB-C charging port provides hours of dependable light.
